

SNGPG Fertilizer Meeting...APRIL 3rd 2021

As we all know COVID-19 is still having an impact on our lives. The spring growers' seminar will once again be scaled back to a product pick up.

Our supply pick-up will be held on Saturday, **April 3rd**, at Wallace Farm, 860 Plainfield Pike, Greene, RI 02827. Like last year we will schedule pickup times by location in order to keep the number of people in areas to a minimum. We want everyone safe and enjoying their gardens this season! Pickup times are as follows:

Rhode Island:	9:00-9:45 AM
Massachusetts:	10:00-10:45 AM
Connecticut:	11:00-11:30 AM
New York/Vermont/New Hampshire:	11:45 AM-12:30 PM

If you are outside one of the regions listed, please feel free to come down between the hours noted above.

Please follow the signs that will be posted for pickup. The directors will assist you. We all look forward to seeing the familiar faces of our SNGPG friends on April 3rd!
